

CPAN 134 – Lab 8

Description: For this lab, you continue improving the Halloween Store website.

- 1- Create a personal page that contains a video. To create the personal page, you can copy the index.html file from previous labs to the personal folder. Then, you can delete the content from the section and modify the URLs on the page as necessary. (So, you need a personal sub-folder including an index.html).
- 2- Modify the horizontal navigation menu so it indicates that the personal page is the current Page as shown on page 2.
- 3- Modify the vertical navigation menu so it provides the links shown on page 2. Use any names you want for the pages but assume that they're stored in the personal folder.
- 4- Create a new style sheet named personal.css for the personal page and copy the styles you need from the main.css file. Then, modify the link element for the style sheet in the personal/index.html file so it points to the correct style sheet.
- 5- Add a heading and the video to the section. Provide for the MPEG-4 media type and provide a Flash file as fallback in case a browser doesn't support the video element. You'll find the video files you need in the media folder.
- 6- Add any other formatting as necessary so the page looks as shown on page 2.
- 7- Use the Google Web Fonts page (www.google.com/fonts) to get the link element for using the Creepster font. Copy this link element into the head section of the personal page.
- 8- Apply the Creepster font to the first heading in the header as shown on page 3.
- 9- Add the story to the personal page, and format it as shown on page 3. You'll find the text for the story in the story.txt file in the text folder.
- 10- Add the required code to the personal.css style sheet to provide serif font for the text of the story and author's name. The heading of this story should be bolded and in sans-serif. (See the final look of this page on page 3).

The screenshot shows a web browser window titled "Halloween Store". The URL in the address bar is "127.0.0.1:51577/ch14/personal/index.html". The main content area features a large orange banner at the top with a cartoon pumpkin icon on the left and the text "The Halloween Store" in large bold letters, followed by "For the little Goblin in all of us!" in a smaller font. Below the banner is a navigation menu with links: Home, Product List, Personal, Decorating Ideas, and Join Email. To the left of the main content is a vertical sidebar with four orange buttons labeled "Pictures", "Home Videos", "Haunted Houses", and "Scary Stories". The main content area contains the text "Here is my favorite haunted house!" above an image of a man with a pale face and dark hair, wearing a suit and tie, with the words "Hobbs Grove" overlaid. At the bottom of the page is a copyright notice: "© 2018 Ben Murach".

This year's story: "The Benevolent Goblin"

by Gesta Romanorum

In the kingdom of England there is a hillock in the midst of a dense wood. Thither in old days knights and their followers were wont to repair when tired and thirsty after the chase. When one of their number called out, "I thirst!" there immediately started up a Goblin with a cheerful countenance, clad in a crimson robe, and bearing in his outstretched hand a large drinking-horn richly ornamented with gold and precious jewels, and full of the most delicious, unknown beverage. The Goblin presented the horn to the thirsty knight, who drank and
